

## Athens

**Locate Athens on the two maps and describe its location in comparison to Sparta.** For example, is it North or South of Sparta, is it near the water, what other cities are nearby, what seas are nearby. There are 2 maps, be sure to page down and look at BOTH maps.

[maps](#)

**Athens had different social groups, or classes, of people. Go to the following websites to learn about citizens, women, slaves and metics (or foreigners).** Take careful notes on each group and make sure you know who could be a citizen and what citizens could do that was different than non-citizens.

### Final Task:

Create a character for yourself that is either Athenian or Spartan. Write a letter to your family describing where you are from and what a typical day is like for you. Things to keep in mind are how old are you, are you male or female, do you go to school, are you in the military? Use the information you have just learned about Athens or Sparta to write this letter. Remember, a letter is written in 1st person.
